/ A BIT ABOUT ME

I am a 19-year-old technical school graduate, majoring in information technology, who is looking for a job in the IT industry. I myself learned how to use individual tools and write code in various programming languages. I care about gaining experience and improving my qualifications, so why shouldn't I improve myself in your company?

/ EDUCATION

>> ZSTiO in Gorzowie Wlkp.
I am currently attending
> INF.02 qualification
> INF.03 qualification
> Earned CISCO CCNAv7 certification
> Completed profession: IT technician
